### Letter of Recommendation

Applicant's Name	<b>Ms. Sai Ganeswari Nallapoosala</b>	Date	25-02-2025
------------------	---------------------------------------	------	------------

Please describe the applicant candidly and specifically in English. The entry fields can be expanded.

I am pleased to write this letter of recommendation for **Ms. Sai Ganeswari Nallapoosala**, who is eager to apply for the graduate program in Computer Science in your distinguished University. She has been pursuing final year UG program in Computer Science & Engineering - Artificial Intelligence at Madanapalle Institute of Technology & Science. In the capacity of Associate Professor, I have taught her a course in **Fundamentals of Artificial Intelligence** at Madanapalle Institute of Technology & Science. I know her very well for the past 3 and half years. I can confidently say that she is one among the top 10 among my students.

**Ms. Sai Ganeswari Nallapoosala** is a dedicated and motivated individual, who consistently demonstrates a strong passion for learning. Her ability to grasp complex concepts and apply them thoughtfully sets her apart from her peers. She also possesses good problem-solving and analytical skills. She is capable of communicating her ideas very clearly and with an impressive **CGPA 8.68 out of 10**, she makes an impressive demeanour.

Additionally, during **Ms. Sai Ganeswari Nallapoosala's** internship at **Edu-Tantr**, she worked on the project "**Finding Critical Difference between Machine Learning Models**" showcased her ability to apply technical knowledge to real-world challenges and to engage herself in meaningful research. Her interest to research and learning new concepts are further evidenced by her commitment to an internship program at the University of Aizu in Japan.

Beyond academics, **Ms. Sai Ganeswari Nallapoosala** is a team worker and good collaborator. Her involvement and active participation in the class discussions and her approach towards challenges is very positive. Her contributions to the department symposium, RAIDS, demonstrate her active involvement and dedication to academic and extracurricular excellence. She sticks onto the timelines perfectly and completes her assignments in a meticulous way.

I have no doubt that **Ms. Sai Ganeswari Nallapoosala** will bring the same level of dedication, enthusiasm, and excellence to the institution. Thus, my strong recommendation goes for her and I earnestly request you to give her an opportunity to do her graduate program in your esteemed University. I believe that she will be a valuable addition to your institution and I wish her best of luck for her bright future.

Best regards,

**Dr. Chokkanathan K**  
Associate Professor & HoD - AI
